Sale of 800 Blouses of Georgette Crepe

Brought to this store through a special purchase; all to make a blouse sale of particular interest for those who are eager to share in pre-holiday savings.

\$3.95

Don't these seven sketches breathe daintiness and lightness and character to you—don't they depict distinction and charm? And how much more the blouses themselves.

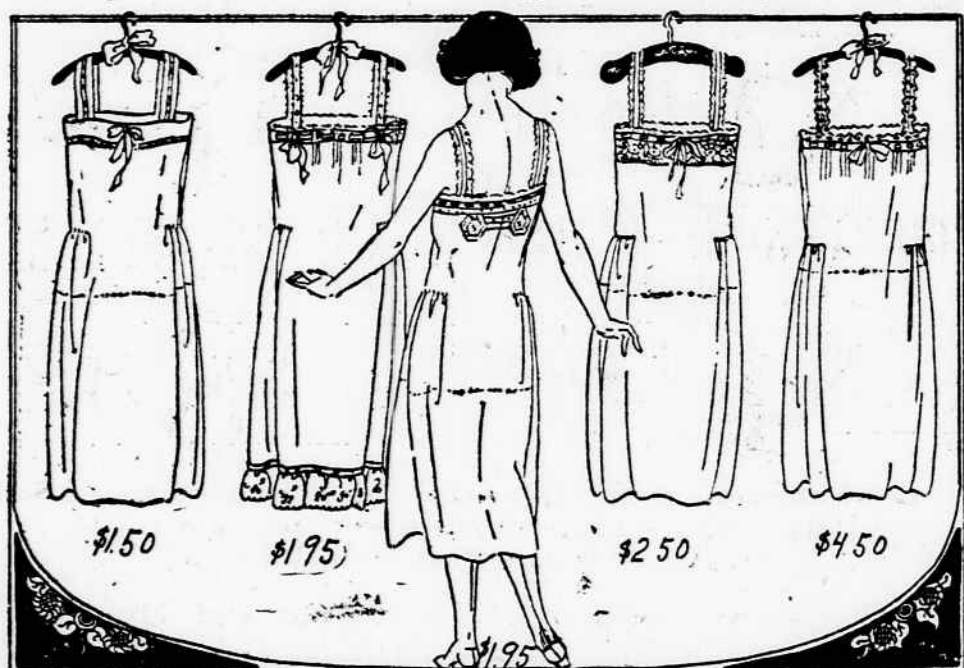

More Than Thirty Lovely Styles—including Regulation, Tie-Back and Overblouses

Blouses like these are seldom obtainable at such low pricing, and the value we offer is possible only because of an important and fortunate purchase from a well known manufacturer—and when one considers the endless trimming ideas that are so deftly arranged one decides that such variety, such value is rarely found in a group of blouses at \$3.95. Sizes range from 36 to 46.

Blouses for every summer wear—summer suits, sweaters, skirts and jumper dresses—and pretty blouses make costume enough; and these trimmings enhance their beauty wonderfully—touches of real Val, Filet and Irish laces, pin tucks and wider tucks, embroidery and embroidered net. Colors: Flesh, white and bisque—all with new collar effects and short sleeves.
